## LIBERAL CANDIDATES WIN BOTH THE BYE-ELECTIONS

Premier Sifton's Majority Will Be Over Two Hundred and Fifty

### MITCHELL WINS EASILY

Only One Poll Heard From so Far in Medicine Hat Gave Huckvale a Majority

Premier Sifton returned from Vermilion this morning and expressed himself as very much pleased with the result of the elections, both in his own constituency and the one in Medicine Hat.

"I want to thank my constituents for the way in which they turned out and elected me as their representative," said the Premier.

Both Hon. C. R. Mitchell, Attorney-General and Minister of Education, were returned by handsome majorities in the bye-elections held yesterday in Vermilion and Medicine Hat. With thirteen polls to hear from, Premier Sifton's majority is 233. Hon. C. R. Mitchell's plurality, with a few unimportant polls as yet unreported, is 337. When the entire returns are in these majorities will be considerably increased. Premier Sifton's final majority will likely exceed 300, and Hon. Mr. Mitchell will have over 400.

In the general elections of March, 1909, Arch Campbell, returned by a majority of 1,000, Arch. Rev. A. R. Aldridge of 300 in Vermilion, Hon. W. T. Binkley, then Minister of Agriculture, was returned in Medicine Hat by a majority over Major F. A. Sissons of 505.

In the bye-elections yesterday the total vote polled was materially less than in the general elections. This was particularly true of Medicine Hat. In neither case is it likely that the majorities secured in the general elections will be maintained in the bye-elections, due to the smaller total vote polled.

to the latest report's Judge Mitchell's majority in the bye-election totalled 356; while the Conservatives did not expect to elect their candidate in this district, they figured on the Liberal nominee's majority being much lower than it will eventually be.

The Liberal candidate carried every poll in the city, his majority being 16. Returns from eleven county polls show that he had a majority in each, and in the remaining 19 his lead should have brought up more than double what it is.

Throughout the campaign the Liberal workers have been very energetic, even more so than they were in the general elections last year and this is attributed the large vote, piled up by their candidate.

Vermilion, June 30.—The returns complete to 2 o'clock this afternoon give Premier Sifton a majority with seven polls to hear from.

### LOTS OF THINGS TO DO TOMORROW

Go to Strathcona and See the Races and the Other Sports

OR TAKE TRIP TO FORT

O- Go to One of the Many Pictures That Have Been Arranged for

### APPOINTED TO COMMISSION

Everything down to the smallest detail, is in readiness for the Strathcona celebration tomorrow, and there is only one factor that cannot be arranged and that is the state of the weather on the eventful day. Special street cars will run between Edmonton and Strathcona between one and three o'clock and Commissioner Boulton has promised to make all the arrangements possible to cope with the stream of holiday makers who are expected will flock to the exhibition from all directions.

In past two nights of rain have softened the race track somewhat and an extra gang of men have been put on to see that it is in first class condition on the 1st.

The entries have been coming in rapidly during the past few days. In the free-for-all, there will be about half a dozen, and the race is expected to be an excellent one. The galloping races are well filled while considerable interest is being taken in the athletic events.

The international football match will be played by two teams picked from the leading Edmonton and Strathcona clubs, and the lacrosse match will be between practically the same teams that played in Edmonton a few days ago.

Music will be provided by the Edmonton and Strathcona city bands and the musical ride to be given by "B" squadron of the A. R. M. R. will be one of the features of the day.

Word has been received that large numbers of men are coming from Camrose, Wetaskiwin, Leduc, and as far as La Cimene, to attend the exhibition and it is anticipated that it will be a red letter day for Strathcona.

And that is more enough for one morning, but there is more to follow, Mr. A. J. Robertson, who is nationally known in latter days as a Hibernian on account of his courageous opposition to the government, and for other bold and fearless acts, was leader of the great Conservative party in the first three sessions of the first parliament. In the fourth session he could hardly lead a leader because he was the only member of the party, Don Hiebert having seen the error of his ways.

"Mr. Robertson represented High River in the first parliament, having defeated Mr. Wallace in a three-cornered race with a small majority. Mr. Robertson contested Nanton in the last election, but was beaten. He is now dealing in real estate in Balsam.

"However, it seems that Mr. Robertson is coy about it. He wants the nomination to be brought to him on a silver plate and presented with all the pomp and ceremony of a Sunday school presentation to a Sunday school superintendent."

## YESTERDAY'S ELECTIONS

The substantial victories obtained by Messrs. Sifton and Mitchell in yesterday's by-elections are a source of gratification to those who believe that the new premier and his cabinet colleagues will give Alberta the steady and progressive government that it requires at the present stage in its development. The Opposition put up a lively fight in each constituency and it is apparent that it is prepared to make the most of the recent dissensions in the Liberal ranks. In view of the situation that has been created, the majorities for the government candidates are remarkably large.

It must not be forgotten that both Vermilion and Medicine Hat are good fighting-ground at times. The former is part of the Dominion riding of Victoria, and was carried in the last general election by Mr. Morrison, the Conservative candidate. On the same occasion Mr. Magrath, who went out in the Conservative interest, was elected in the constituency of Medicine Hat, had a very large majority in the territory comprising the provincial riding of that name. In 1905 Mr. Finlay, just after being made Minister of Agriculture, was returned with but twenty or thirty votes to the good.

The excellent showing made by the premier and his associates is therefore apparent and indicates that they have the confidence of the respective electorates to a marked extent. When the House meets, Mr. Sifton will undoubtedly occupy a position of unusual strength. He has succeeded in rallying to his support all the electorates he has visited, and in the general following of the action of the two or three individual members whose power to cause him trouble is growing less every day. He assumed office with all the prestige to be derived from his former political career and from the honorable record which he had made for himself in the Bench. Thank to the activity of his opponents, he has now been given the opportunity to demonstrate to the people of the province all the qualities which go to make a successful party leader. As far as he goes, he has few equals in the country, and when, in the course of a few years, he comes before the people of the whole province in a general election contest, he will, with the added reputation which he will, we believe, have acquired in the meanwhile as a sane legislator and an administrator of capacity and integrity, be able to maintain Alberta's position in the forefront of Liberalism.

The sky ahead of the good ship Sifton has a decidedly Vermilion tint today.

One more moral victory for Edmonton Conservatism!

As an election forecaster, the Journal is in a class by itself. Only on Monday it told its readers that it was possible Mr. Sifton would lose his deposit. It had as much warrant for such a statement as for the wild charges it made in regard to the methods being employed on Mr. Sifton's behalf.

The commencement of the through passenger service between Edmonton and Winnipeg on the Grand Trunk Pacific will be none the less welcome because so long delayed. Thirty hours to Winnipeg means that we are getting into fairly close touch with the east. With Toronto only three days away, as it will be with this new train, Edmonton need feel isolated no longer. Another four or five years and we shall regard ourselves as on the world's front street. The new service means the beginning of a fine country in our reaches. The city's business men should be fully alive to the opportunities for expansion which it offers.

The report made by Secretary Fisher of the Board of Trade as to crop conditions in the Edmonton territory is very encouraging. Mr. Fisher has the reputation of being very conservative in his forecasts and when he uses the language that he does we may be sure that there is genuine

cause for congratulation. The fine rains of the past three days have been most timely and will help a great deal. On Tuesday, when over half an inch fell, all the other principal weather stations in the West reported clear weather. There seems little doubt that everything is coming our way.

The Calgary Albertan complains that northern papers rejoice in the alleged terrible crop conditions in the south. Will you not see a reference in any northern newspaper to justify this statement? It does not mention of Alberta any good to have others suffer reverses and it does the province as a whole great harm. But we cannot shut our eyes to the fact that the country north of Calgary has suffered in the estimation of the people of the outside world by the disparaging remarks in regard to it which have originated in that city if conditions in the south are anything like the average, when those in this city are decided above, it is hardly surprising if some of those at whose expense unfair comparisons have been made in other years should go out of their way to give such information publicly.

## SIBERIA MAY BE CANADA'S RIVAL

Rev. David Arnott Gives Interesting Address and Compares Siberia and Western Canada

In the First Presbyterian Church last night a most interesting address on mission work in Manchuria was given by Rev. David Arnott, M. A., Glasgow, Scotland.

Rev. Dr. McQueen presided over the meeting, which was well attended in spite of the inclement weather, and introduced Mr. Arnott.

During his address Mr. Arnott made an interesting comparison of Siberia with western Canada. Siberia, he said, may become a rival of Canada. It had the same fertility of soil, and the climatic conditions were similar. All it wanted, as did Canada, were railways. When the country was opened up it would prove a veritable paradise for the surplus population of European countries.

Mr. Arnott began by expressing his great indebtedness to his early missionary training in Western Canada which enabled him to carry on his work in the Orient. His mission in Manchuria was to inspect the mission and to report on the progress at home the interests of the work. He gave a brief history of mission work, relating in a vivid way the experiences of missionaries who were doing their utmost to spread the gospel over the pagan country, and told his hearers of the troublesome times, wars, persecution, and destruction of property which made the life of the missionary one of hardship and a continual danger. During the Boxer rebellion, said Mr. Arnott, many missionaries were killed, while others had to flee for their lives, leaving their belongings behind them. However, their efforts were finally crowned with success and missionary work was now going on without any material interference.

Mr. Arnott also told of travelling over that great Russian highway, the Trans-Siberian Railway, which is over 6,000 miles in length. He also related his experiences while crossing the Russian steppes.

## DO NOT BELIEVE SUICIDE STORY

Report That Missing Superintendent Took His Life is not Believed.

Ottawa, Ont., June 30.—There does not seem to be any tendency here to believe that Frank Gouldthorpe suicide from a steamer near Detroit. The whole story is now looked upon as a fake. At the same time it develops that on the day before he left Ottawa, he was seen hovering on the bridge at Chaudiere Falls, but it was intended to drown him, his nerve must have deserted him. He was a nervous wreck for the last few days before he left home. The Dominion police have not slackened their search for the missing superintendent of the printing bureau on account of the reported suicide. Mrs. Gouldthorpe stated earlier last night for Osgensburg that after getting over the border, and then stated to have gone west.

REPORT ISSUED  
OF NURSES

Local Branch of Order Doing  
Good Work But Receives Little  
Recognition

An organization which has for some time been working in Edmonton and which has so far had very little recognition but at the same time been doing the work quietly and well, is the Victorian Order of Nurses.

Twelve years ago this order was founded by the Countess of Aberdeen with Queen Alexandra as its patron, and has since then been gradually spreading from its central point, Ottawa, all over the Dominion.

The object of the order is to provide efficient trained nurses for those who are unable to go to hospital or too poor to have a trained nurse in the home, or indeed even for anyone who does not find it convenient to accommodate a professional nurse in their home. This, the order has been doing by stationing a number of visiting nurses in every district where possible, who suit their scale of fees in accordance with the financial standing of the patient, and in the case of the very poor perhaps charge nothing at all. Instead of being the expensive luxury of the rich the trained nurses are now within the reach of the poorest, who, in addition to being nursed, are given lessons in the value of light, fresh air and cleanliness, and are generally instructed in the art of keeping a healthy, happy home.

In Edmonton at the present time there is a committee of ladies of which Mrs. Neil is the president, Mrs. Dickens, secretary, and Mrs. Spratt treasurer; but there is only one visiting nurse, Miss McCulloch, and it is their object to establish several more, as there will be work to spare as soon as the order is better known in the districts.

During the five months that Miss McCulloch has been in Edmonton, she has had 64 regular patients and paid \$64 visits, in fact had all the work she could do, so that the establishment of more nurses in the city will be needed.

The Victorian Order has just published the report of their work in the Dominion for last year and the number of visits paid (100,026) and

regular patients (14,560) will give some idea of the excellent work of the institution.

## ABOUT TOWN

The death took place yesterday afternoon in this city of Mrs. Annie Sommer of Philburn, Alta., at the age of 34 years. The remains will be shipped to Philburn this afternoon. She is survived by a husband and nine children.

Mr. J. Green, of Griesbach street, an employee of the Edmonton Iron Works, had his arm painfully injured at noon today while working in the shop. In some way his arm got caught in a revolving band and was badly hurt. Dr. Nichol was summoned and dressed the wound. The unfortunate man was afterwards removed to the Public Hospital.

An enthusiastic meeting of the Merchant Merchants' Association was held Tuesday evening in the board of trade rooms, which was favored with a larger attendance than the previous one. Quite a number of new members have been added. A strong committee was appointed to frame a constitution the personnel of which is as follows: Messrs. Davies, Douglas, Kirkland, Livingston, Lowe, Marshall, Reid, Stanley and Stovell. President Hart, and Vice President Webb are ex-officio members. H. Y. Burnett was appointed secretary, and he was instructed to take immediate steps to have the civil authorities look into the matter of protecting the retail merchants from unfair competition.

## IN STRATHCONA

George W. Clark of Calgary and George W. Walsh of Chicago are staying at the Strathcona House.

At the Immigration Hall the immigration of families seems to have ceased for the time being, and the arrivals now consist more of single men acting in the capacity of delegates from districts in the Western States. Numbers are arriving from Washington and the Dakotas and report that the crops here are just as far, if not further, advanced as in that district.

KING GEORGE WON  
HIS FIRST RACE

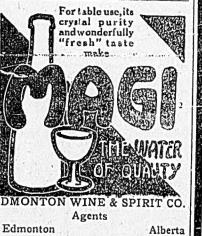

Royal Escort Had First Thrown  
Jockey and Galloped Over  
Entire Course

London, June 28.—King George won his first race when "Royal Escort," carrying Lord Derby's colors, under which the royal stable is to be run for a year, won the Wellington handicap of £200 at Sunbury park. Before the start, Royal Escort, who is a son of Diamond Jubilee, bolted and jumped over his jockey, Wootten, and galloped over the entire course. When he won in a canter after his runaway, there was more cheering than has been heard on a race course in England this year.

## THE GREAT POPULARITY OF OUR SATURDAY OFFERINGS HAS MADE IT ONE OF THE BUSIEST DAYS OF THE WEEK

It proves that conscientious effort is always recognized. Values in this announcement are not items taken at random, but offerings specially prepared for Saturday. It is and always has been our policy to clear out stocks while new. It costs money to do this, but we get the benefit in clear stocks, and customers have the advantage of reduced prices when they are best appreciated. Another reason for these early clearances is that our forthcoming fall stocks require every inch of space we can give them. With this short preface we submit the following—all of which are new goods of this spring's make:

## MINERS PLACED UNDER ARREST

They Are Charged With Grading Their Ore Shipments Too High

Cobalt, Ont., June 29.—Two arrests were made in connection with the alleged higher grading in carloads of ore from the Lucky Godfrey mine at Elk Lake. These are George E. Gordon, Rogers, captain of the mine, and William Acker, ore sorter. The shipment was made in April just before the winter roads broke up and it was all high-grade ore, eighteen tons being estimated at \$40,000. When the ore arrived at the smelter at Thorold, the bags were found to contain country rock and low-grade vein material and to be worth about \$5,000 instead of \$40,000.

### ACME COMPANY PICNIC

The somewhat moist weather of Monday evening did not seem to dampen the spirits of the crowd of picnickers from the Acme Co. who went west by special street car to Great's creek.

Between fifty and sixty took chances on the weather, even though the weather man had not been consulted, and sat down under threatening clouds to a most excellent supper. The company was well represented, the president and manager, Mr. Ludwig and Mr. Adams, the secretary-treasurer, were both present and stepped into the sports after supper with all the enthusiasm of baseball fans. A programme had been prepared including baseball, football and races, and although the rain cut short the supper and forced a goodly number to take advantage of the shelter kindly offered by Mrs. McMillan, who is camping at this place, a few of the canvas-back kind who didn't mind the shower bath got out and made preparation for the sports. These were joined later by the rest when the shower was over.

The ladies race of fifty yards was handsomely won by Miss B. Chapman. We didn't a stop watch, but we believe her time was a trifle over six and three fifths seconds. The men's hundred yard dash was snatched up by Mr. Yull with a generous margin to the good at the tape. We shrewdly guess that his experience running after past due accounts put him in superior training, in any event the way he ate up the hundred yards clearly placed him in the sprinter class.

A potato race was won by Mrs. McKinnon and the couples race by Mr. Smart and Miss Pritchard. The whole affair reflected much credit upon the young ladies who were the chief promoters of it, and had it not been for the untimely downpour the outing would have been an ideal one. The Acme people will endeavor to arrange for a nice sunshiny evening next time.

Tenders for the high level bridge between Edmonton and Strathcona are being called by the C. P. R. with a time limit of 5 o'clock, July 20th, in Winnipeg. They will be received by the assistant chief engineer, J. E. Schweizer and plans and specifications may be seen at the following offices: A. L. Herzberg, divisional engineer, Toronto; C. N. Monsarrat, bridge engineer, Montreal; N. R. Brooks, divisional engineer, Vancouver; and J. E. Schweizer, assistant chief engineer, Winnipeg.

### CELESTIAL MUSIC, INDEED

One of the rarest musical treats in store for our Edmonton musical people will be the visit here of Mlle. Sassi, the most renowned harpist in Europe, who is a member of Melba's superb concert company, to appear at the Thistle Rink on Wednesday, October 5th. Few people can imagine the quality of the exquisite harp playing of Mlle. Sassi, of which leading musical critics speak of as producing simply the sweetest music celestial.

Mlle. Sassi's playing is of that delicate entrancing and fascinating nature that produces results in tones, like those from the natural whispering winds.

Mlle. Sassi is a petite, little Italian lady and is a musical star of such magnitude, that she has engaged on tour around the world twice with Adelina Patti in concert work, and this season, will be her second continuous tour engagement with the divine Melba. As one gentleman recently said, "While it will be worth \$5 to hear glorious Melba, it will be well worth \$50 to hear Sassi's celestial harp playing."

It will be advisable for all those intending to hear Melba and Sassi that they should lose no time in placing their names on the already large subscription list at Harmony Hall, 427-29 Rice street, the George H. Stuckling depot for the famous Steinway, Nordheimer and Lansdowne pianos.

### About Town

It tomorrow morning is bright the Irish picnic will take place. A blinding rainstorm is the only thing that will keep the Irishmen from their outing.

J. A. Auten, travelling agent for the A. Carruthers Co., Ltd., reports to the Lethbridge branch office that Edmonton and northern districts possess an excellent crop this year and things are booming in the north half of the province.—Lethbridge Herald.

The foundation for the grand stand at the exhibition grounds has been completed and the water pipes have been laid throughout the grounds. The recent rain has done a world of good to the race tracks. Many of the stock buildings are already completed.

The use of the exhibition grounds for picnic purposes has been granted to the Syndicate Avenue Baptist Church Sunday school and the Trades and Labor congress. The former will hold their picnic on July 8th, while the latter will hold theirs on labor day their.

Arthur Scarlett, who was arrested on Tuesday at Lethbridge on charge of seduction under promise of marriage was assigned for preliminary hearing yesterday at the mounted police barracks before T. R. Turnbull, J. P. The accused was released on his own bail to appear on July 6th.

The following from Edmonton have passed the local examination in music in the University of Toronto:

Edmonton, Alta.—Junior theory, class 1, Miss C. M. Bell; 2, Miss H. B. Hunt; class 2, Miss D. W. Carpenter; pass, Miss U. Sharpe; intermediate theory, class 1, 1, Miss M. H. Butterfield; pass, Miss R. Staples; 2, Miss R. Henry.

The city commissioners, yesterday afternoon paid a visit to the Edmonton penitentiary and were shown through the building by the Dominion Inspector, C. W. Dawson. The city officials brought before him the suggestion as to the removal of the grounds to the outskirts of the city, but to this Mr. Dawson took strong objection owing to the large amount of construction work already done at the penitentiary.

A letter from Fort Resolution says: Mr. Radford of New York, the explorer, who is spending some years in the far north, arrived at Fort Resolution from Smith's Landing on April train in the record time of three and a half days, a distance of nearly 200 miles; his object being for a medical consultation only. His health is perfectly good. He intended leaving the following day, but was compelled to remain at the Fort until the river cleared of ice on May 16th.

Tomorrow evening Mr. Vernon Barford holds his 100th pupils' recital in the Separate School Hall at 9 o'clock. It is ten years since Mr. Barford took up the work of his profession in Edmonton and each year has seen a large increase in the interest which these recitals have attracted. A full orchestra has been arranged to accompany the concertos. Miss Webster will sing Bulfinch's "April Morn" with orchestral accompaniment. In All Saints' schoolroom this evening a programme will be given by the junior pupils.

Jack! How is it that Mrs. Brown can get a quiet horse and drive her friendly husband? I cannot get one safe for me. Well, my dear, Brown deals at Horner's Livery and you phone 1224 and order one. Oh, Jack, what a treat.

### DIPLOMAS AND PRIZES AWARDED

Alberta Business College Finished a Very Successful Year

The most successful year in connection with the Alberta Business College was brought to a close last night by the presentation of the Diplomas. Won by the fortunate winners, there were present many friends and fellow students to join in congratulations and applause.

The regular diploma in Shorthand requires a net speed of 100 words per minute in both Business letters and general dictation, a net speed of forty words a minute on the Typewriter from copy, with a satisfactory standing in English, spelling and composition. The Grade A Diploma is given for 125 words a minute in shorthand and 50 words per minute on the typewriter.

The winner of the Gold Medal in Accountancy is decided by the examiners of the Manitoba Association of Chartered Accountants, for the highest standard in the intermediate examination; while the Gold Medal in Penmanship is awarded by decision of the judges associated with the Business Journal of New York City. Short addresses were delivered by the chairman, Dr. Riddell; by Mr. E. Butchart, Secretary of the Board; and by members of the Faculty and Donors of Prizes. The students supplied the college yell as a fitting finale and dispersed with many congratulations, and much admiration of the artistic diplomas and handsome medals.

The following were awarded diplomas:

Shorthand and Typewriting  
Miss Deveda McClellan, Fort Saskatchewan, Grade A; Miss Ada Clements, Namao, Grade A; Miss Nellie L. Wilson, Edmonton; Miss Violet B. Urquhart, Edmonton; Mr. Alfred Higgins, Bankhead; Miss Charlotte Holden, Edmonton; Miss Blanche L. Patterson, Bankhead; Miss Rowena D. Fraser, Edmonton; Miss Queenie Lucas, Wetaskiwin; Mr. Clifford Mitchell, Edmonton; Miss Eva McWhirter, Edmonton; Miss Katie McDermid, Edmonton; Miss Hilda Alken, Millies; Miss Winnie Daly, Edmonton; Miss Rena Archibald; Miss Olive May Slack, Edmonton.

Bookkeeping  
Mr. Alfred Higgins, Bankhead; Mr. James Logan, Tofield; Mr. Ray H. Slaughter, LaCombe.

The following were awarded the certificate of the Business Journal of New York for excellence in writing: Miss Lotta Muuro, Calgary; Mr. Schuster, Clover Bar; Miss Margaret Hunter, Edmonton; Miss Annie Lyons, Edmonton; Miss Polly McDonald, Okotoks; Miss Louise Hart.

An effort is being made to arrange a cricket match for tomorrow afternoon between the married and single members of the Edmonton Cricket Club.
